

THE GATEHOUSE

Paving the road to recovery

Paving the road to recovery

GATEHOUSE

Since 1972

www.gatehouse.org

- ❖ Non-profit, community-based, drug and alcohol treatment programs
- ❖ Set in scenic Lancaster County, Pennsylvania
- ❖ Serving the recovery community since 1972
- ❖ Licensed by the Department of Drug and Alcohol Programs (DDAP)
- ❖ Accredited by the Commission on Accreditation of Rehabilitation Facilities (CARF)

The Gate House for Women

Our Mission is:

To provide effective gender-specific behavioral health services that assist chemically dependent people to establish lives in recovery.

- ❖ PCPC level 2B (equivalent to ASAM Level III.1)
- ❖ Distinct from transitional living/recovery houses
- ❖ Longer term, live-in, structured
- ❖ Residential length of stay is typically 90 days

The Gate House for Men

What Do The Gate House Treatment Programs Offer?

- ❖ Gender specific treatment
- ❖ Clinical care, psycho-education, skills development
- ❖ Safe, suburban environment
- ❖ Community integration
- ❖ Family program
- ❖ Treatment facilities:
 - ❖ 24 women's beds, 24 men's beds
- ❖ Transitional living:
 - ❖ 10 women's beds, 14 men's beds
- ❖ Outpatient treatment

Homelike Atmosphere Where Clients Receive:

- ❖ Individual treatment planning
- ❖ Individual, group, family counseling
- ❖ Life skills development
- ❖ Case management services
- ❖ Relapse prevention training
- ❖ Co-occurring counseling
- ❖ Psychiatric evaluations and medication management
- ❖ Aftercare planning
- ❖ Post-grad support (transitional living houses, outpatient, alumni)

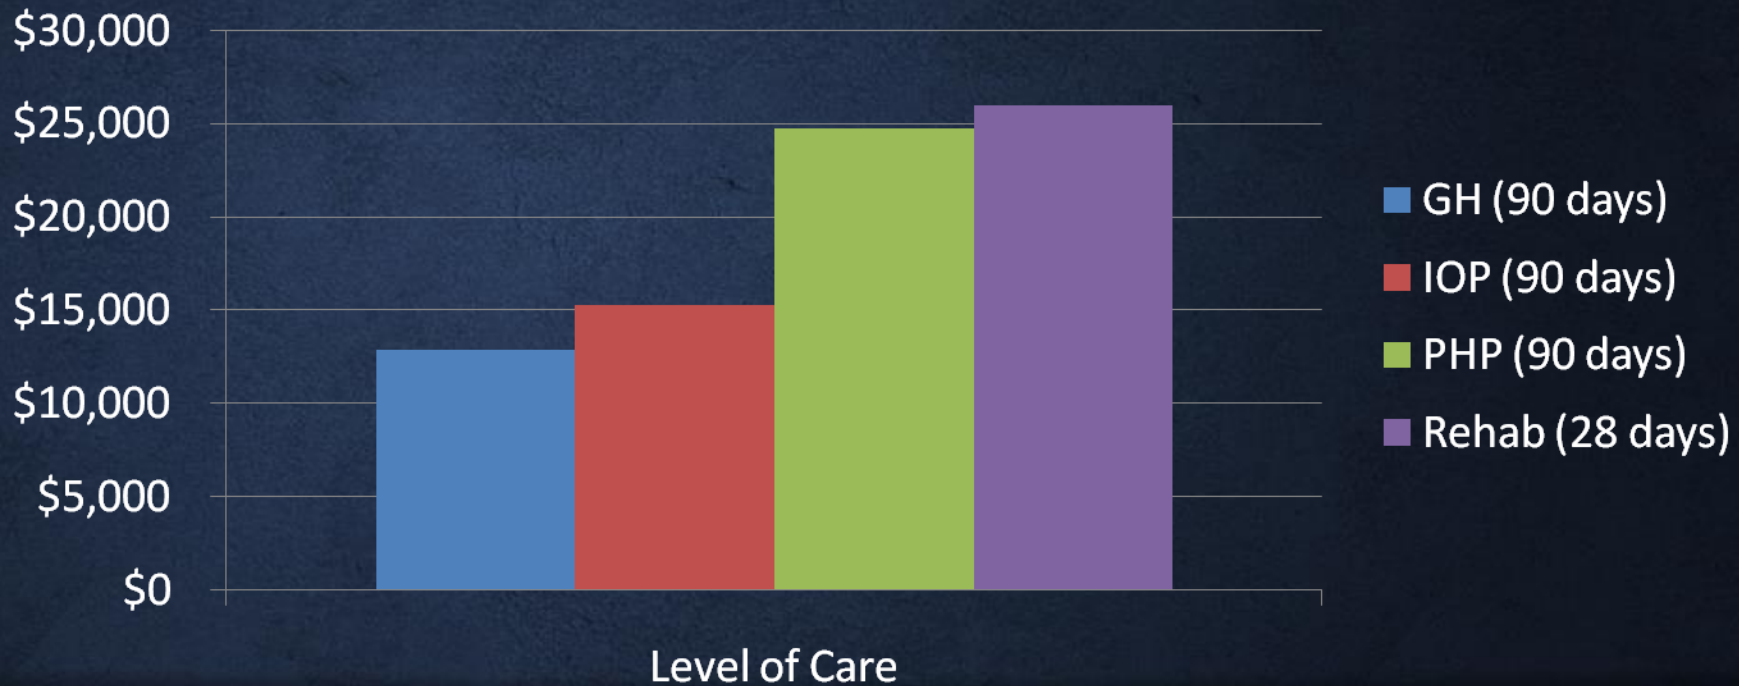

Target Population

- ❖ Clients who have repeatedly relapsed
- ❖ Clients who need long-term care
- ❖ Clients who need care away from home environment
- ❖ Clients who need to develop life skills
- ❖ Young adults

Cost Effective

- ❖ Insurance does not cover 2B level of care
- ❖ Level of care is cost effective and affordable compared to others
- ❖ We strive to accommodate financial restraints

Recovery Residence

- ❖ Safe, supportive, and affordable housing
- ❖ Structured living with an emphasis on personal responsibility
- ❖ Support of a 12-step recovery program
- ❖ Continued engagement in treatment, either at The Gate House or another outpatient provider
- ❖ Close monitoring by the live-in Resident Manager
- ❖ Oversight by clinical staff at The Gate House
