What are potential service gaps?

There are times when a specialist is not able to refer for the caller's specific need.

This may occur when the agencies that provide a certain type of assistance are out of funds or when a client is deemed ineligible (often due to the client not needing shelter today). When a need is recorded as "unmet", the 211 specialist explores other resources and services that may be of assistance.

Top unmet needs

Community Shelters/Coordinated Entry.....	39
Rent Payment Assistance	32
Homeless Motel Vouchers/Motel Bill Payment...	31
Low Income/Subsidized Private Rental Housing..	3
